CLAMP LAMP

NOTE

The lamp is supplied with a 3W E14 LED bulb. The LED bulb can if desired be replaced with up to 25watt incandescent bulb, but the lamp will run hotter.

WARNING!

THE LAMP WILL GET HOT IN USE.

**AVOID CONTACT WITH THE HOT LAMP,
ESPECIALLY DIRECT CONTACT WITH
THE BULB.**

TO REMOVE/CHANGE THE BULB

Before removing or changing a bulb, switch off; disconnect the plug and let it cool for at least 10 minutes.

Replace it with a bulb of the same type (E14 type bulb), with a rating of 240volt and 3watt for LED type bulbs; or 240volt and no greater than 25watt max for incandescent bulbs.

INSTRUCTIONS FOR USE & CARE

1. Use the base clamp to fit a stable object in a dry location.
2. Use the lamp indoors only.
3. Keep out of the reach of young children and pets.
4. **WARNING!** The lamp will get hot in use, especially when using incandescent bulbs-avoid contact with the hot lamp, especially direct contact with the bulb.
5. Use only E14 type bulb of 240 volt rating 3W LED type recommended or 25watt maximum incandescent.
6. To clean the lamp use a clean dry cloth. Wait 10 minutes after disconnecting to allow time to cool.
7. The electrical parts can only be serviced by a qualified tradesman, in compliance with standards/ specifications.
