

ARLEC

Super Bright LED Camping Lantern

CL100

Instructions

This lantern uses 20 high brightness white LED's to provide high light output and long life.

Battery Installation

4 x D size batteries are required.

For longer lamp running time and extended battery life Arlec recommends Alkaline batteries.

For long term economy Arlec rechargeable NiCad batteries can be used in these lanterns. Do not mix battery types.

1. Ensure that the lantern is switched off.
2. Turn lantern upside down and twist base grip in an anticlockwise direction as indicated with OPEN-CLOSE markings. Fig 01.

Fig. 01

3. Remove base to reveal battery holder. Load 4 'D' size batteries in the holder noting correct positive (+) and negative (-) polarity as shown inside battery compartment.
4. Align battery holder base in lantern body ensuring that the base is aligned properly. The tabs on the lid should align with the recess on either side of the batteries. Fig 01.

To Operate

Rotate the switch knob in the top of the unit to desired position-

- = unit switched ON;
- = unit switched OFF.

Fig. 02

Important! Please read these instructions carefully.

Care & Maintenance

- DO NOT leave dead or exhausted batteries in lantern. They may leak and cause damage to your lantern.
- DO NOT use solvents or abrasive cleaners on this product. To clean the outside of the lantern use a damp cloth or sponge with a mild dish washing liquid.
- Always use fresh Heavy Duty of Alkaline batteries. For extended battery life and longer lamp running time, Alkaline batteries are recommended.
- Batteries should be replaced when LED's do not light to full brilliance.
- Care should be taken not to get water inside lantern when replacing batteries. This could cause damage and may contribute to poor performance.

Warranty

Arlec guarantees this product in accordance with the Australian Consumer Law.

Arlec also warrants to the original first purchaser of this product ("you") from a retailer that this product will be free of defects in materials and workmanship for a period of 12 months from the date of purchase; provided the product is not used other than for the purpose, or in a manner not within the scope of the recommendations and limitations, specified by Arlec, is new and not damaged at the time of purchase, has not been subjected to abuse, misuse, neglect or damage, has not been modified or repaired without the approval of Arlec and has not been used for commercial purposes ("Warranty").

If you wish to claim on the Warranty, you must, at your own expense, return the product, and provide proof of original purchase and your name, address and telephone number, to Arlec at the address below or the retailer from whom you originally purchased the product within 12 months from the date of purchase.

Arlec will (or authorise the retailer to) assess any claim you may make on the Warranty in the above manner and if, in Arlec's reasonable opinion, the Warranty applies, Arlec will at its own option and expense (or authorise the retailer to) replace the product with the same or similar product or repair the product and return it to you or refund the price you paid for the product. Arlec will bear its own expenses of doing those things, and you must bear any other expenses of claiming on the Warranty.

The Warranty is in addition to other rights and remedies you may have under a law in relation to the product to which the Warranty relates.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
