# DESK LAMP

**WARNING!** THE LAMP WILL GET HOT IN USE; AVOID CONTACT WITH THE HOT LAMP, ESPECIALLY DIRECT CONTACT WITH THE BULB.

## TO FIT/CHANGE THE BULB

Before changing the bulb, switch off, disconnect the plug and let the bulb cool for at least 10 minutes.

Replace it with a bulb of the same type (E14 type bulb) with a rating of 240volt and no greater than 40watt max.

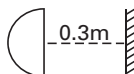

## NOTE:

LED BULB IS ALSO SUITABLE TO BE USED WITH THIS DESK LAMP.

## TO ADJUST LAMP HEAD AND LAMP HEIGHT

Lamp head will get hot in use, especially when using incandescent bulbs - avoid contact with the lamp head, especially direct contact with the bulb. Adjust the position by grasping the top of the flexible neck and adjusting to the desired position.

Minimum distance of 0.3m must be maintained between the lamp head and any illuminated objects.

## INSTRUCTIONS FOR USE & CARE

1. Use the lamp indoor only.
2. Keep out of reach of young children and pets.
3. **WARNING!** The lamp will get hot in use, especially when using incandescent bulbs - avoid contact with the hot lamp, especially direct contact with the bulb.

4. Use only E14 type bulb of 240volt 40watt maximum rating.
5. To clean the lamp, use a clean dry cloth. Wait 10 minutes after disconnecting to allow time to cool.
6. The electrical parts can only be serviced by a qualified tradesman, in compliance with standards/specifications.
